Dear Betsy:

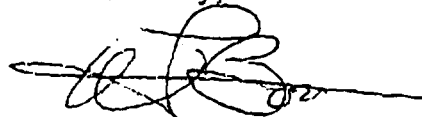

03017541

Our NRC Materials License (29-19396-01) was terminated on February 22, 2005 (Docket No. 03017541, Control No. 135896). We are now in the process of terminating the financial instruments that we were required to maintain in accordance with the decommissioning rule in 10 CFR 30.35.

Please return to us the original copies of the Standby Trust Agreement and the Letter of Credit (No. [REDACTED]) that had been delivered to the NRC via courier on or about February 15, 1994. The financial institution is requiring return of the original documents to complete the termination process.

Thank you for your assistance in this matter.

Sincerely,

W. James Bover
