Re: SNM-203

Dear Ms. Gaskins:

This letter is a follow-up communication to you as requested in your phone conversation this afternoon with Jack Riley, our radiation safety consultant. To clarify our request for a license renewal, the previous application by Zella Sasnett was in error. We intend to proceed under the new license with no changes from the license that expired on 2/28/05.

If you have any additional questions, please contact me on (908) 582-5907.

Sincerely,

Richard Quick
