Re: SNM-203 07000222

Dear Ms. Gaskins:

As per our discussion today, I want to clarify that just the portion of our license renewal application regarding changes in operating procedures was in error. There have been no changes in our operating procedures. The box on the application that was marked indicating changes in our operating procedures was marked in error.

If you have any additional questions, please contact me on (908) 582-5907.

Sincerely,

Richard Quick
