License: NO.29-28049-01 *03030057*
License Expiration: 04/30/13

Dear Mr. Dennis Lawyer,

Subsequent to my letter of May 9, 2005 and our recent conversation, I am informing you that I resign as the Administrator of above license effective immediately.

I am also confirming that, during my recent conversation with Robert Baklajian, MD, he stated that he is no longer the Radiation Officer of the above license. You may reach him directly at (201) 265-8282, his office number or on his beeper, which is (201) 439-6488 to verify above conversation/information.

I trust you will take appropriate action(s).

Truly yours,

John Pantazopoulos, MD

Dear Dennis Lawyer,

Per our conversation last week, I understand that Dr. John Pantazopoulos wishes to step down as administrator to the license for Bergen Diagnostic Management Nuclear LLC. Please be advised that I will immediately fill that role, as I am an owner/member of said business. Thank you for your assistance in this matter.

Sincerely,

Michael Kesselbrenner, MD
