THE PROPOSED ATOMIC ENERGY GENERATING PLANT  
ON THE SUSQUEHANNA RIVER

1. Natural resources of the Susquehanna River and the Chesapeake Bay.  
A review of the importance of the Susquehanna and Chesapeake watershed; the Susquehanna as compared with other tributaries; the importance of water supplies, fisheries, power, recreation and other facilities and resources of the watershed.

General Statement: (speakers to be selected)  
Questions and Discussion

2. Site of the Proposed Plant. The proposed location and the basis for this choice.

General Statement: (speaker to be selected)  
Questions and Discussion

3. Design of the Proposed Plant. How the plant will "work"; the storage and handling of materials; the nature of the discharges from the plant; general statement on hazards and safeguards.

General Statement: (speaker to be selected)  
Questions and Discussion

4. Federal and State Controls over the Design and Location of the Plant. Federal and State laws and regulations over site and design of the plant.

Federal Regulations: Harold L. Price, Director, Division of  
Licensing and Regulation, U. S. Atomic Energy Commission.  
Maryland Laws: Dr. Abel Wolman, Chairman, Maryland Radiation  
Control Advisory Board.  
Pennsylvania Laws: Karl Mason, Pennsylvania Dept. of Health.

5. Federal and State Supervision over Plant Operations. Checks on discharges to air and water, and legal controls over the operation of the plant.

General Statement: (speakers to be selected)  
Questions and Discussion

6. Present Status of the Project and the Next Steps.

PROPOSED NUCLEAR POWER PLANT  
ON THE SUSQUEHANNA RIVER

AGENCIES AND INDIVIDUALS  
ATTENDING THE MEETING

Annapolis  
June 6, 1960

U. S. Atomic Energy Commission  
Dr. Harold L. Price, Director, Division of Licensing and Regulation  
Dr. Martin B. Biles, Staff Member

U. S. Public Health Service  
Henry J. Rechen

Pennsylvania Health Department  
Walter Lyon, Director, Division of Sanitary Engineering

Maryland Health Department  
Dr. Perry F. Prather, Director  
Robert M. Brown, Chief, Bureau of Environmental Hygiene

Maryland Board of Public Works  
Andrew J. Heubeck, Jr., Secretary

Maryland Board of Natural Resources

Ex Officio Members:

Chairman: Dr. H. C. Byrd, Chairman, Commission of Tidewater Fisheries  
Ernest A. Vaughn, Director, Department of Game and Inland Fish  
Joseph F. Kaylor, Director, Department of Forests and Parks  
Dr. L. Eugene Cronin, Director, Department of Research and Education  
Dr. Joseph T. Singewald, Jr., Director, Department of Geology, Mines  
and Water Resources

Paul W. McKee, Director, Water Pollution Control Commission

Appointive Members:

Dr. Ronald Bamford  
George W. Todd  
Dr. Donald W. Pritchard  
Richard H. Collins  
Myron L. Bloom  
David Hume  
Edward R. Grimes  
Lester N. Towner

Maryland Legislative Council  
Lee Benson

Maryland Water Pollution Control Commission

Paul W. McKee, Director

Appointive Members:

Chairman: Maurice Siegal

Royal H. Carlock

George F. Hazelwood

Ex Officio Members:

Dr. H. C. Byrd, Chairman, Board of Natural Resources

Ernest A. Vaughn, Director, Department of Game and Inland Fish

Dr. L. Eugene Cronin, Director, Department of Research and Education

Weymouth McDaniels (representing A. L. Penniman, Jr., State Board  
of Health)

Maryland Radiation Control Advisory Board

Dr. Abel Wolman, Chairman

Dr. Russell Morgan
