Dear Mr. Collins:

Per our phone conversation, this letter is to inform you that Geo-Science Engineering Co., Inc. has a survey meter manufactured by Ludlum Measurements Inc. It is a Model 19 Micro R Meter. The meter has been sent to Ludlum Measurements Inc for calibration and will be sent to them on a yearly basis to have the meter recalibrated.

If you have any questions or require additional information, please feel free to contact us.

Very truly yours,

Anthony M. Riggi  
Director of Construction Services
