SITE EVALUATION REPORT FOR THE PEACH BOTTOM ATOMIC POWER  
STATION, PHILADELPHIA ELECTRIC COMPANY

Attached is Part I of subject report. - *dated January 1960*

This report has been filed with the Division of Licensing and Regulation by Philadelphia Electric Company with a request for comments on the location of the plant on the designated site. A formal application for license has not yet been filed. Under our procedures, however, a copy of this report should be placed in the Public Document Room. We have also heard of a request emanating from State of Maryland health authorities for a copy of the report.

The first page of this document states: "This report should not be published nor given wide distribution prior to patent clearance by the U. S. A. E. C."

Will you please inform me as promptly as possible whether there is any objection to our making this document publicly available?
