Suppl. File C

September 6, 1960

Chairman  
Atomic Energy Commission  
Washington, D. C.

Dear Sir:

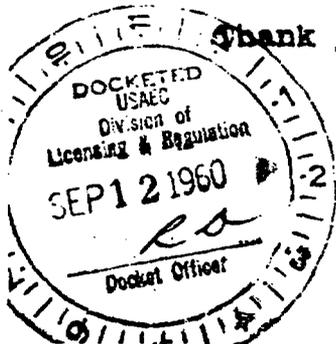

I should like to record objections to the granting of authority to any group to erect and operate an atomic power plant for the area of which Philadelphia is included. Specifically, this would be in reference to the meetings in October to discuss the pending proposals, of which the Peach Bottom plant is the main topic.

Please inform me of the time at which this public session will occur.

Thank you.

Very truly yours,

*Lawrence W. Goldberg*
