Docket No. 50-171

NOV 8 1961

Honorable David L. Lawrence
Governor, Commonwealth of Pennsylvania
Harrisburg, Pennsylvania

Dear Governor Lawrence:

This is to inform you that the Atomic Energy Commission has submitted for publication in the Federal Register the attached Notice of Hearing on Application for Construction Permit. The notice pertains to the proposed issuance of a construction permit to Philadelphia Electric Company, which would authorize construction of a 40,000 kilowatts (electrical) advanced high-temperature gas-cooled demonstration power reactor on the site at Peach Bottom, in York County, Pennsylvania, described in the application. Also enclosed is a related report by the Advisory Committee on Reactor Safeguards.

You will be notified when further action is taken on this matter.

We are also advising the State Department of Labor and Industry, the Department of Health and the Bureau of Environmental Health, Officials of York County, Pennsylvania, and Officials of incorporated municipalities near the reactor site of this action.
