Dr. Theos J. Thompson, Chairman  
Advisory Committee on Reactor Safeguards

APR 10 1961

Robert Lowenstein, Acting Director  
Division of Licensing and Regulation

Attached is a letter which I have this day sent to Philadelphia Electric Company. The letter is intended to include the principal questions which we understand the ACRS has concerning the project. If there are any inadvertent omissions, however, please let me know and we will send a further follow-up.
