# Memorandum

TO : The Files

DATE: NOV 27 1961

FROM : Robert Lowenstein, Director *RL*  
Division of Licensing and Regulation

SUBJECT: PHILADELPHIA ELECTRIC COMPANY

Attached is a list of the people who attended a meeting with the state health department and others in Harrisburg on November 20, in connection with the Philadelphia Electric Company's application for construction permit for the proposed Peach Bottom reactor.

Among other things, there were suggestions by the state people in which we indicated a general agreement as to the desirability of periodic reports from the applicant concerning the progress of their design and R&D programs.

Attachment:  
As stated above
