Dear Mr. Byles:

On behalf of Governor Tawes I wish to acknowledge and thank you for your letter of October 20th to which you attached a copy of "Amendment No. 3 to the Application of Philadelphia Electric Company for Construction Permit and Class 104 License" applicable to the proposed Peach Bottom Atomic Power Station on the Susquehanna River in York County, Pennsylvania, a short distance north of the Maryland line.

It is noted that a copy of your letter and the Amendment were forwarded to the State Department of Health and to the State Department of Labor and Industry.

The data which you have forwarded to Governor Tawes is being turned over to Mr. Henry T. Douglas who is Chairman of the Governor's Committee on Nuclear Energy.

With kindest regards, I am

Sincerely yours,

Russell H. McCain
