

J. MILLARD TAWES  
GOVERNOR

EXECUTIVE DEPARTMENT

ANNAPOLIS, MARYLAND

3 November 1961

Mr. R. Lowenstein, Director  
Division of Licensing & Regulation  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Dear Mr. Lowenstein:

I wish to thank you for your letter of November 2nd in which you inquire as to whether we would like to have you forward copies of notices and documents issued by the Atomic Energy Commission to Mr. Henry T. Douglas, Chairman of the Governor's Committee on Nuclear Energy.

Mr. Douglas is Chairman of a very capable and efficient Committee which advises the Governor on all matters of nuclear energy without conflict in the field of radiation control which is supervised by the State Department of Health.

It is noted that copies of all communications and documents addressed to Governor Tawes are sent to Dr. Perry F. Prather, Director of the State Department of Health, and to Mr. Murray L. Schuster, Commissioner of the State Department of Labor and Industry.

The Governor would appreciate it if you would continue to send these papers to his office here in Annapolis and, at the same time, forward copies of the same to Mr. Henry T. Douglas, Chairman, Governor's Committee on Nuclear Energy, The Martin Company, Baltimore 3, Maryland.

With kindest regards, I am

Sincerely yours,

*Russell H. McCain*
