

NOV 6 1961

Mayor Kelley Asbury
Delta, Pennsylvania

Dear Mayor Asbury:

Attached as a matter of possible interest to you is a report of the Commission's Advisory Committee on Reactor Safeguards concerning the nuclear reactor proposed by Philadelphia Electric Company at Peach Bottom, Pennsylvania.

A public hearing soon will be scheduled on Philadelphia Electric's application for a construction permit for this reactor. We will see to it that you are notified of the time and place of the public hearing.

Sincerely yours,

Joseph Fouchard
Division of Public Information

cc: Robert Lowenstein
