

Docket No. 50-171

In the Matter of

Philadelphia Electric Company

DEC 3 1961

Mr. Howard Chaney  
Maryland Department of Public Health  
State Office Building  
Baltimore, Maryland

Dear Mr. Chaney:

Transmitted herewith for your information are copies of the prepared testimony of Charles A. Lovejoy and Martin B. Biles who will testify on behalf of the AEC staff at the public hearing to be held in this matter on December 18, 1961.

As you will note, the testimony of Dr. Biles contains essentially the same factual material and presents the same conclusions as were included in the AEC staff hazards analysis of the Peach Bottom Atomic Power Station which was made available to you earlier.
