David F. Cope, Director
Reactor Division, ORO

**RADIATION INDUCED DIMENSIONAL CHANGES IN DRAGON GRAPHITES - RESULTS
OF FIRST GRAPHITE CAPSULE IRRADIATED AT RCN, PETTEN**

OE:TPC

We are enclosing for your information a copy of a Dragon Project report on the subject. The report was obtained in the course of the assignment at Dragon Project of John Coobs, ORNL, who made the report available to us upon his return to Oak Ridge. We are writing to Compton Rennie on the report and to request a copy of DPRDD/620 to which it refers and for which we have no record of receipt. Until you are advised further, kindly give the information contained in the report privileged treatment. We will see that you get a copy of DPRDD/620 when it is made available to us.

Copies of the report are being made available to Bob Duffield (GA) and Dick Nightingale (Hanford) for information and any comment they wish to make.

By copy of this memorandum to K. R. Goller, Division of Reactor Licensing, we are furnishing him a copy of subject report because of his probable interest in its comments.
