Rick,

The RAIs are draft both in content and editorial. I would give review them before we issue formally. Thank you for the changes.

Frank/Zena,

Attached is my revised version of Zena's RAIs and a redline/strikeout showing the changes I made. I will be providing them in draft form to the licensee tonight. If you see any errors in the changes I made let me know so we can make corrections before the RAI is issued formally (hopefully in next week or so).

thanks,

Rick
