L. P. Roger Huard, Chief  
 Indemnity & Export Control Branch  
 Division of State & Licensee Relations  
 PHILADELPHIA ELECTRIC COMPANY - STORAGE ONLY LICENSE

The Division of Materials Licensing is prepared to issue License SNM-851 authorizing storage only of the core for the subject reactor.

The location description on the Indemnity Agreement is limited to the cold fuel storage vault. Pursuant to 10 CFR 140.13, the licensee is required to maintain \$1,000,000 of financial protection. Proof of this protection has been received in the form of a copy of the declaration page to NF-140.

Philadelphia Electric is in full compliance with 10 CFR 140, and concurrent with the issuance of SNM-851, Indemnity Agreement B-28 will be issued indemnifying the storage only of the reactor fuel. The indemnity fee is \$100 per year effective with the date of the Indemnity Agreement.
