Person(s) Calling: Steve Hammann			
Subject: license renewal			
Summary:			
<p>I spoke with the licensee about changing the application from a Broad C to a R&D Other. The licensee agreed to do this. They will send in a new section 5 and 6 for the license renewal. I also informed him new commitments for the instrument specification, occupational dose, survey/leak, and waste mgmt. sections would need to be submitted to conform to NUREG Volume 7. He agreed to send these in also.</p>			
Action Required/Taken: reply from licensee in writing
