SUBJECT: YOUR REQUEST FOR INFORMATION REGARDING NRC OFFICE OF  
INVESTIGATIONS REPORT NO. 1-2004-026

Dear Ms. Knisely:

This is in reference to your letter dated June 2, 2005, wherein you informed us that you will be representing Shirley Knisely with regard to Individual Action (IA) No. 04-216 and NRC Office of Investigations (OI) Report No. 1-2004-026, the results of which were sent to Shirley Knisely on May 19, 2005. In your letter, you also requested that all future communication regarding this matter be sent to your attention, and you informed us that Ms. Knisely requests a Predecisional Enforcement Conference (PEC) with the NRC. I will be in touch with you in the near future to arrange a date and time for the PEC.

In your letter, you requested "a copy of the complete investigation file in this matter." As discussed with you by Mr. Karl Farrar, Counsel, Region I, NRC, on June 7, 2005, it is the policy of the NRC in non-discrimination cases to only release, prior to enforcement actions, the transcript or sworn statement of the OI interview of the individual with whom the PEC will be held, and not to release any other OI report information, including transcripts and/or sworn statements, of other individuals interviewed in the case. Mr. Farrar also informed you that the NRC will provide you with a copy of Ms. Knisely's sworn statement or her OI interview. Ms. Knisely's sworn statement is enclosed with this letter. Additionally, you may request, under the Freedom of Information Act (FOIA), the remaining investigation information after any enforcement action is taken in this case.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (RARS) component of the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm.html> (the Public Electronic Reading Room). However, the NRC will delay making available a copy of this letter until an enforcement decision has been made. At that time, in accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be made available to the Public, if enforcement action is taken.
