Re: Altoona Regional Health System-Material License Number 37-11826-01

Dear Ms. Weidner:

Please add Peter J. Whitcopf, M.D. to the list of authorized users for the following material and uses: 35.300, 35.400 and 35.600. Attached is a copy of his certification by The American Board of Radiology to practice radiation oncology, Certificate No. 48801.

Please modify the existing list of authorized users to include the indicated material and use in accordance with 10 CFR 35.600 (April 30, 2003), which reflects the use of iridium-192 in a high dose rate remote afterloading brachytherapy device:

Jack D. Schocker, M.D. 35.300, 35.400 and 35.600
John A. Clement, M.D. 35.300, 35.400 and 35.600

Please contact, Michael A. Vince, Ph.D., Radiation Safety Officer, at (814) 946-2400 if you require further information.

Sincerely,

James W. Barner
President/Chief Executive Officer

Attachment: (1)

CC: Jack D. Schocker, M.D., Chairman, Department of Radiation Oncology

The American Board of Radiology

Organized through the cooperation of the
American College of Radiology, the American Roentgen Ray Society,
