SUBJECT: REQUEST FOR RESUBMISSION OF DOCUMENTS RELATING TO
LOUISIANA ENERGY SERVICES (LES') LICENSE APPLICATION

Dear Mr. Krich:

As noted in an Atomic Safety and Licensing Board Panel (ASLBP) notification on June 10, 2005, the Staff has determined that redacted documents pertaining to this hearing may be subject to additional public disclosure. Specifically, the Staff has determined that only information considered proprietary under 10 C.F.R. §2.390 will continue to be withheld from public disclosure. In accordance with this determination, the Staff has taken action to release for public disclosure previously redacted portions of documents. In order to ensure that documents that have been submitted by LES are also released for additional public disclosure in light of this determination, LES is requested to resubmit all previously submitted documents with only the information which meets the criteria of 10 C.F.R. §2.390 marked as proprietary.

If you have any questions regarding this request, please contact Mr. Tim Johnson at (301) 415-7299.

Sincerely,

/RA/
