Reference: Culpeper Regional Hospital  
License # 45-23040-01  
Docket # 03020205  
Control # 136721

To: Normen Senton, Physics Consultant

This is to follow up the conversation we had over the phone today. Please provide the following information within 30 days. You may fax your response to 610-337-5269, referencing control number 136721.

Please send an email to confirm receipt of this message.

Please submit the following items:

1. Signed Application For Material License NRC Form 313;
2. Diagram/description of the area of radioactive material preparation/use.
3. Please confirm the statement that, "We reserve the right to update our survey instruments as necessary as long as they are adequate to measure the type and level of radiation for which they are used."
4. Description of your survey instruments.

If you have any question, you may email me or call me at 610-337-5006.

Thank you

Shirley Xu
