1. Please note that licensees are responsible for applying for amendments to licenses and for keeping them up-to-date.

Please verify that the amendment request to add Dr. Frederick L. Matti is a valid amendment request coming from the licensee.

2. Representatives of the licensee should date and sign NRC Form 313. These representatives must be authorized to make binding commitments and to sign official documents on behalf of the licensee. Management includes the chief executive officer or other individual having the authority to manage, direct, or administer the licensee's activities, or those persons' delegate or delegates.

Please note that signing the application acknowledges management's commitment and responsibilities for the radiation protection program.

Please have NRC Form 313 signed and dated by a management representative authorized to make binding commitments and to sign official documents on behalf of the licensee.

3. Please identify the material Dr. Matti should be authorized to use (i.e., 10 CFR 35.100, 35.200, etc.).
4. Please submit a copy of Dr. Matti's board certification from the American Board of Radiology.
5. Please submit a completed NRC Form 313A (<http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a.pdf>) documenting the training for Dr. Matti as specified in 10 CFR 35.392, 35.394, 35.932, and/or 35.934, as appropriate.
