Ronda,

Attached is revised set of draft RAIs for the EPU. These supercede the set I emailed on 6/9/05. The only changes since the last version was the addition of 6 new questions from Devender Reddy (RAIs SPLB-A-25 thru SPLB-A-30). These questions are largely followup to the RAI responses provided in Supplement 28.

Devender and Jim Tatum are available to discuss the RAIs on Friday if you want to set up a conference call this week.

thanks,

Rick
