Brian Parker
Division Of Nuclear Materials Safety
US Nuclear Regulatory Commission, Region I
475 Allendale Road
King Of Prussia, PA 19406-1415

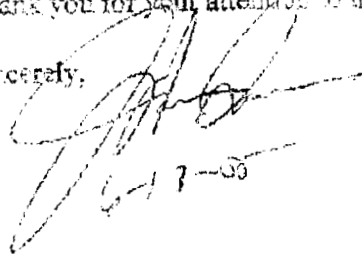

Dear Mr. Parker,

This correspondence is written in response to your request for additional information dated 5/9/05. All responses are in order of request.

1. The noted change is not a transfer of control of licensed materials. It is a change in the name of the facility only. There are no transfers of stocks or assets. The contact name is John L. Goad, MT, RSO 301-352-9163.
2. There are no changes in personnel or duties related to the licensed program.
3. There are no changes in the organization, equipment or procedures related to the licensed program. As indicated in the letter of notification in accordance with 10 CFR 55.13 and 35.24 the licensee is moving to a new location. The new physical address is: 2930 Chesterfield Avenue, Charleston, WV 25304.
4. All surveys, wipes and quality control procedures are being performed in the accordance with the 10 CFR part 25 and our license conditions. No facility contamination is present. There is no transfer of control of the noted program.
5. All records are kept in accordance with regulations. There is no transfer of the control of the records.
6. The current management confirms that they are abiding with all constraints, conditions, requirements and commitments of the license. There is no transfer of control of these commitments.

Thank you for your attention to this matter.

Sincerely,

137037
