SUMMARY

We have reviewed your letters received March 1, 2005, requesting an amendment to your byproduct materials license and find that we need additional information as follows:

1. We are in receipt of two letters received under one date, March 1, 2005. A signature block for Kenny Stone is typed on both letters. However, neither letter is signed.

Please note that we cannot accept unsigned correspondence. Specifically, a senior management official must sign all correspondence to us.

Mr. Stone does not yet have standing with us yet. Therefore a senior management official such as Mr. Koehler or the previous RSO, Mr. Jansen, should sign and date your amendment requests. Please have Mr. Koehler or Mr. Jansen or another senior management official sign and date your response to this letter, attesting that the amendments requested in the correspondence received March 1, 2005, reflect the intentions of Koehler Engineering and Land Surveying.

? not addressed.

2. It is not clear whether you intend to add the storage location/ mailing address change for 194 Coker Lane, Cape Girardeau, Missouri or to replace another storage location. If you only intend to add the storage location/ mailing address change for 194 Coker Lane, Cape Girardeau, Missouri, please so state in your response, as signed and dated above.

3. One of the letters received March 1, 2005, requests that "Tom Jason" be deleted as RSO and that Kenny Stone be named RSO. However, no "Tom Jason" is named to this license currently as RSO. Thomas Jansen is currently the RSO. Still calling him Tom Jason!

Please correct your request as appropriate and resubmit, as signed and dated above.

4. Please have Mr. Stone sign your response also, stipulating that he accepts the position as RSO and he understands the duties and responsibilities of that position.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

ACTION REQUIRED

Submit the requested information within 15 calendar days (by May 5, 2005) by referencing control number 314236 to facilitate proper handling. If we do not receive an adequate response by this date, we will **VOID** the current action without contacting you again. This will be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

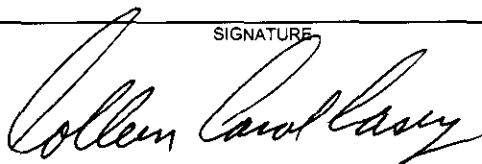

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9841 or (800) 522-3025.
