SUBJECT: Question re: license amendment request (MC 137137)

SUMMARY

I returned a call to Ms. Patrelious who had returned my call on behalf of Mr. Terry Day. I requested clarification on 1 item re: users and Ms. Patrelious confirmed that they did not wish to add any additional authorized users as part of this action (MC 137137). I also pointed out that the address listed in their attached memo-of-understanding between Dr. Shatkin and Dr. Arnold was incorrect. She confirmed that it was a typo from a previous letter. I informed her that I did not need a corrected version since the MOU was not necessarily binding to the license but was more of a legality between the doctors. I was merely pointing it out to them for their information.
