Re: License No. 45-13147-01 03001128

Gentlemen:

George Mason University wishes to amend License Number 45-13147-01 to reflect a change in administrative personnel. Christopher Hill, who for the past eight years has served as Vice Provost for Research at the University and the Certifying Officer for the radiation safety program is stepping down to pursue other interests.

The President of George Mason University will appoint the new Vice President for Research, Matthew Kluger, as Certifying Officer for the radiation program effective July 1, 2005. Please amend the University's license to reflect this change.

If you have any questions or comments concerning this change in administrative personnel, please contact David W. Rossell, Associate Provost, Personnel and Budget at (703) 993-8767. Thank you.

Sincerely,

Diann R. Stedman
Radiation Safety Officer
