DECOMMISSIONING FUNDING
STATEMENT OF INTENT

Old Dominion University is a state corporation under the control of the General Assembly of the Commonwealth of Virginia, §23-49.11, Code of Virginia (1950), as amended. Accordingly, Old Dominion University is a state government licensee as defined in 10 C.F.R. §30.35(f)(4).

I, William B. Spong, Jr., acting in my capacity as President, am authorized by the Board of Visitors of Old Dominion University to issue this Statement of Intent on behalf of Old Dominion University. An excerpt from the Board of Visitors' Bylaws, providing my authority, is attached to this Statement of Intent as Attachment A.

Old Dominion University currently holds NRC License Number 45-09599-03. The referenced license describes the facilities for which this Statement of Intent is provided. A copy of the license is attached to this Statement of Intent as Attachment B. Old Dominion University has no current plans to decommission its facilities.

Should Old Dominion University terminate its license, it is estimated that the decommissioning costs would be \$150,000.00. This figure is based on the table contained in 10 C.F.R. §30.35(d). Old Dominion University reserves the right to re-assess this funding estimate at the time of license termination, should that occur. As a state agency, Old Dominion University is subject to a bi-annual appropriation from the General Assembly. In the event that Old Dominion University decides to relinquish its NRC license, it agrees to request an appropriation from the General Assembly to cover the decommissioning costs sufficiently in advance to prevent any delays in required decommissioning activities.

This statement is signed in duplicate.
