Re: Women's Medical Hospital

Dear Ms. Franklin,

This is to inform your client that in light of the bankruptcy trustee's position that there is no agreement between Drexel University and Women's Medical Hospital for the provision of radiation safety services, Drexel University staff will immediately cease all support of radiation safety functions and decommissioning in the hospital's facility. In addition, I am hereby resigning my position as the hospital's Radiation Safety Officer effective this date.

Please be aware that I will also be notifying the applicable regulatory agencies of this resignation as well.

Sincerely,
