Re: Freedom of Information Act Request

Dear Ms. Reed:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I am requesting on behalf of the Service Employees International Union ("SEIU") the following information:

All reports and documents – including, but not limited to, drafts, notes, minutes, transcripts, emails, audio recordings, video recordings, or photos – related to Nuclear Regulatory Commission inspections of Hospital Corporation of America ("HCA") and its affiliated hospitals (see attached list).

I note that time is of the essence in this matter. There is a great need for prompt disclosure so that the released information may more adequately inform the public debate. SEIU is willing to pay any reasonable fees in connection with the production of this information. Please notify me if the fees exceed an amount of \$300.

If you deny any part of this request, please cite each specific reason that you think justifies your refusal to release the information and notify me of appeal procedures available to me under the law.

If you have any questions or need more information in order to expedite this request, please contact me at (212) 947-1944 or via e-mail at rudikofn@seiu.org. Thank you for your consideration of this request.

Sincerely,
