Subject: Materials License 29-30915-01
Docket No. 030-36573

Dear Ladies and Gentlemen:

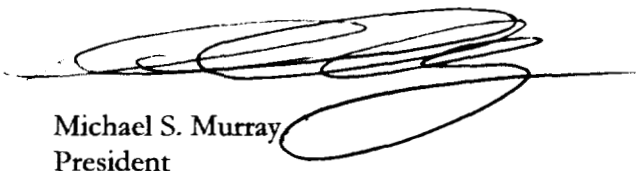

Please be advised that effective March 18, 2005, our business address has changed from that address noted on our license. The new address is 2517 Highway #35, Building B, Suite 301, Manasquan, NJ 08736.

Please issue confirmation of this change of address at your earliest opportunity.

On or about May 27, 2004, we acquired a Humboldt Scientific Inc. Model HS-5001 portable nuclear density gauge which was delivered to the New Jersey Department of Transportation pursuant to our contract with that agency. At no time has a member of this firm possessed the device and as per the inspection on May 31, 2005, we have contacted the Department of Transportation to transfer the device to them for use in accordance with their license.

If you have any questions, please advise.

Very truly yours,
Midlantic Construction LLC

Michael S. Murray
President

Re: NJDOT Project Route 47 and US Route 40, Franklin Township, Gloucester County

Subject: Humboldt Scientific Inc. Model HS-5001 Nuclear Density Gauge
Midlantic Construction LLC USNRC Materials License 29-30915-01

Dear Sir:

Please be advised that on or about May 27, 2004, a nuclear density gauge provided pursuant to our contract for the captioned project was delivered to your attention by Humboldt Scientific Inc. as directed. This gauge has been utilized, stored, maintained and operated by NJDOT Personnel for the past year at the job site in Franklin Township (Malaga).

Pursuant to our USNRC License, this purchase and delivery of the device to your office and personnel constitutes a transfer. As such, we require the NJDOT provide the following information for our records and to satisfy the requirements of the USNRC pursuant to Part 30, Rules of General Applicability to Domestic Licensing of Byproduct Material.

1. Copy of the valid USNRC license for the Model HS-5001 device provided.
2. Receipt issued by NJDOT certifying receipt of the device and accepting same subject to compliance with applicable USNRC requirements.
3. Copy of shipping documents for said device including a notation of the serial number of the device.

As this transfer occurred over one year ago, Midlantic Construction LLC requests that the NJDOT immediately comply with this request and provide the above documentation within ten (10) business days or by June 24, 2005.

If you have any questions, please advise.

Very truly yours,
Midlantic Construction LLC

Michael S. Murray
President
