Subject: Request for Quick Processing of Mail Control Action 137175 <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>		
Summary: Mr. Kolbenstetter called to see what the chances were regarding quick processing of his amendment to include an AEA Model 741A radiography camera. This device is being purchased from Precision Testing and Inspection who is has an amendment request submitted to cease operations and terminate the license (Mail Control Number 137186). I told him that he needs to tell me where the material will be stored and what sources and changers he will be using with the camera. He stated that he will mail them in ASAP and also fax the information to me directly. I told him I would try to support his desired amendment date of 6/30/05..
