This is to acknowledge the receipt of your letter/application dated 3/4/07 and to inform you that the mail processing, which included an administrative review, has been performed.

There were no administrative omissions identified during our initial review.

Your approval for the NRC license is not valid until you provide your taxpayer identification number. Please contact the State of Rhode Island Department of Environmental Management for more information.

As a condition of your license, you must maintain a valid Rhode Island Accounts Receivable Branch, who will be responsible for the collection of your license fees.

For more information, please contact the NRC at (401) 863-2200. When calling to inquire about your license, please provide your license number and the date you were issued to a technical representative. You may also contact the NRC at (401) 863-2200 for more information.

Information: If you have any questions concerning the processing of your license, please contact the NRC at 630-829-9887.
