RE: Materials License Number 11-27091-01,
Change of RSO

Dear Ms. Cook:

This letter is to notify the U. S. NRC that Jeff Snyder, PE is no longer serving as the RSO for our Rexburg, Idaho office.

Forsgren Associates, Inc. requests that the materials license be amended as follows:

Joel Martineau is to be the new RSO.

Included with this request is a copy of Joel's Nuclear Safety and Gauge User Training certificate, which represents 8 hours of training. In addition, Mr. Martineau has received hands-on instruction from Mr. Snyder on the use, transport, and storage for Troxler portable moisture-density gauges.

If you have any questions or comments, please feel free to contact me at 356-9201.

Thanks again,
FORSGREN ASSOCIATES, INC.

Brent Crowther, PE
Regional Manager

CERTIFICATE OF COMPLETION

This is to acknowledge the receipt of your letter/application dated 6/16/03, and to inform you that the initial processing, which includes an administrative review, has been performed.

- There were no administrative omissions. Your application will be assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.
- Please provide to this office within 30 days of your receipt of this card:

The action you requested is normally processed within 90 days.

- A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned Mail Control Number 470595.
When calling to inquire about this action, please refer to this mail control number.
You may call me at 817-860-8103.

Sincerely,

Licensing Assistant
