Don,

> Sorry for the delay in responding to your request for amounts of CaF2 and
> soil disposed of in 1995-2000.
>
> In 1998 we shipped approximately 10,650 pounds of CaF2 to a cement company
> for processing into the cement. No burial; reuse. (The previous shipment
> of CaF2 was 1992.)
>
> There was approximately 26,000 pounds of soil excavated from the
> Westinghouse site which we did bury in 1996.

Let me know if you need anything else Don.
