Dear Mr. Lodhi:

RE: Luke Paper Company Name Change Request
(Specific License No. 19-00373-02)
Docket No. 03004525, Control No. 136701

As you may recall, earlier this year it was announced that MeadWestvaco Corporation had reached an agreement to sell the stock of MeadWestvaco Maryland, Inc., which owns the Luke pulp and paper mill, to NewPage Corporation, a company controlled by Cerberus Capital Management L.P. The purpose of this letter is to inform you that the transaction has been completed and that MeadWestvaco Maryland, Inc. has formally changed its name to Luke Paper Company. Therefore, please find attached the completed form that we understand is required to accomplish the amendment, transfer or re-issuance of permits, licenses and authorizations on file with your agency. Please amend, transfer or re-issue the permits as necessary to reflect the new name and corporate organization for the Luke mill. Any suggestions you might have to simplify or expedite this process would be appreciated.

As previously communicated, no immediate changes have been made or are planned for the Luke mill operations. The management of the Luke mill has remained essentially the same as it was prior to the sale. The Radiation Safety Officers listed on the Specific License continue their current duties in supervising, administering and controlling equipment under the subject license.

If you have any questions, please call Steven Burke, RSO, at 301-359-3311, Ext. 3385 (email: spb5@newpagecorp.com). Thank you for your cooperation.

Sincerely,

Richard J. Watro
