SUBJECT: REQUEST FOR RESUBMISSION OF DOCUMENTS RELATED TO USEC
INC.'S (USEC'S) LICENSE APPLICATION FOR THE AMERICAN
CENTRIFUGE PLANT (ACP)

Dear Mr. Toelle:

As noted in an Atomic Safety and Licensing Board Panel (ASLBP) notification on June 10, 2005, related to the Louisiana Energy Services (LES) proceedings, the Nuclear Regulatory Commission (NRC) determined that redacted documents pertaining to the LES hearing may be subject to additional public disclosure. In accordance with this determination in the LES proceedings, the NRC intends to release for public disclosure, redacted portions of documents related to the license application for the ACP. In order to ensure that documents that have been submitted by USEC are also released for additional public disclosure in light of this determination, USEC is requested to resubmit all previously submitted documents with only the sensitive information appropriately marked as sensitive under the criteria of 10 CFR 2.390.

Sincerely,

/RA/
