SUBJECT: ALARON CORPORATION, CONSENT TO TRANSFER OF OWNERSHIP OF  
ALARON CORPORATION, CONTROL NOS. 137158 AND 137159

Dear Mr. Harverson:

This refers to your letter dated June 9, 2005, informing this office of the proposed transfer of ownership of Alaron Corporation to Onyx/Alaron L.L.C. From your letter it is my understanding that the proposed transfer is within Alaron Corporation's sister subsidiaries, and that this transfer will not affect your licensed activities, including your approved radiation safety procedures, and the commitments of Alaron Corporation with respect to the above two licenses. **You are required to take immediate steps to update the financial assurance documents related to the licenses.**

Please notify this office in writing if my understanding is in error. Based on the above understanding, this office does not object to the proposed transfer. Any future changes in the name of licensed entity, or licensed activities will require amendment(s) to your licenses.

We appreciate your cooperation with us.

Sincerely,
