Dear Sirs,

We wish to amend our NRC License Number 37-30580-01 to make the following change:

During a recent review of our license it appears as though Naresh Kumar R. Shah, M.D., has been removed from our license as an authorized user (AU). We wish to add Dr. Shah as an AU. Dr. Shah was previously named as an AU on our license number 37-30580-01.

We would request that Dr. Shah be approved for the following Radioactive Materials:

**Byproduct Material Requested**

Byproduct Material	Chemical/Physical Form	Maximum Amount
<b>Any byproduct material included in 10 CFR 35.200</b>	<b>Any</b>	<b>As needed</b>

Thank you in advance for your prompt attention to this amendment request.

Sincerely,

*Stanley M. Zagorski*
