Summary: Spoke with Mark Belanich on 6/15/05 to inform him that we had not received the information necessary to complete the Greenbriar Amendment request that we discussed on 5/25/05. He stated that he had been too busy to send the information that we had requested, but assured me that he would fax it no later than 6/24/05. I informed Mr. Belanich that if we did not receive his response, we would have to void his amendment request. He stated that he was familiar with the process and understood that the next step would be to void the amendment request.
