Subject: Conference Call on GE Methods RAIs - Tuesday 7/12, 2:00 pm in 10B4

Entergy has requested a conference call on Tuesday afternoon to discuss the latest version of the GE methods RAIs (i.e., version emailed to Entergy on 7/5). They indicated that some of the revisions we made following the 6/30 meeting were not what they expected. The purpose of the call would also be to discuss their proposed approach to answering the questions so they can assess if they are on track.

I've reserved conference room 10B4 at 2:00 pm for the call. Please let me know if you plan on attending.

thanks,

Rick
