Materials License No. 37-05501-02
Expiring: January 31, 2014**

Dear Licensing Assistance Team:

UPMC Lee Regional Hospital holds the above referenced Materials License from the United States Nuclear Regulatory Commission. In accordance with 10 CFR §§30.34(b), 40.46 and 70.36, this letter is to provide notice of the pending sale of UPMC Lee Regional Hospital, located in Johnstown, Pennsylvania, to Memorial Medical Center, an existing licensed acute care hospital, which is also located in Johnstown, Pennsylvania.

This sale will occur pursuant to an Asset Purchase Agreement entered into on December 20, 2004 by UPMC Lee Regional Hospital and Community Nursing, Inc., and their parent, UPMC, with Memorial Medical Center and its parent, Conemaugh Health System, Inc. This sale transaction is scheduled to close on August 1, 2005 and UPMC Lee Regional Hospital will no longer operate the facility as of that date, and instead it will be operated by Memorial Medical Center. Accordingly, this letter serves as formal notice of the termination of the above permit, effective 11:59 PM on July 31, 2005. On that date, substantially all the assets of UPMC Lee Regional Hospital, including all hospital and other healthcare facilities operated by UPMC Lee Regional Hospital, will be transferred to Memorial Medical Center.

Memorial Medical Center intends to continue to operate the hospital facility beginning August 1. Accordingly, Memorial Medical Center may contact you separately to advise you of its plans with respect to the materials licensure for this location.
