Formerly Utilized Sites Remedial Action Program

SUBJECT: Review of the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B, and Request for Additional Information

Mr. James Grant
Mallinckrodt Inc.
P.O. Box 5840
St. Louis, MO 63134

Dear Mr. Grant:

Please find enclosed the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B (the Study). The Study evaluates sewers on the Mallinckrodt Inc. (MI) property as part of the Formerly Utilized Sites Remedial Action Program (FUSRAP) St. Louis Downtown Site (SLDS). Please review this document and provide any additional information identified within the Study that may be in your possession. Regardless of obtaining added data from MI, the Study recommends a course of action for the sewers following completion of the Phase I reporting. Please return comments and any additional pertinent material to the FUSRAP Project Office by August 1, 2005.

Copies of the Study have been forwarded to Ms. Amy Snyder, U.S. Nuclear Regulatory Commission, Mr. Dan Wall of the U.S. Environmental Protection Agency, and Mr. Robert Geller of the Missouri Department of Natural Resources. Copies of these transmittal letters are also enclosed.

If you have any questions concerning the Study, please contact Ms. Jacqueline Mattingly at (314) 260-3924 or Dr. Greg Hempen at (314) 260-3939.

Sincerely,

James J. Zerega
Acting FUSRAP Program Manager

Formerly Utilized Sites Remedial Action Program

SUBJECT: Review of the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B

Mr. Dan Wall
U. S. Environmental Protection Agency
Region VII, Superfund Branch
901 North 5th Street
Kansas City, Kansas 66101

Dear Mr. Wall:

Please find enclosed the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B (the Study). The Study evaluates sewers on the Mallinckrodt Inc. (MI) property as part of the Formerly Utilized Sites Remedial Action Program (FUSRAP) St. Louis Downtown Site (SLDS). The U.S. Army Corps of Engineers has also requested that MI review the document and provide any additional information identified within the Study that may be in that firm's possession. Regardless of obtaining added data from MI, the Study recommends a course of action for the sewers following completion of the Phase I reporting. Please return comments to the FUSRAP Project Office by August 1, 2005.

Copies of the Study have been forwarded to Mr. Robert Geller and Mr. Eric Gilstrap of the Missouri Department of Natural Resources. A separate letter to MI requesting review and additional material, if it is available, is also enclosed. That letter to MI has been copied to Ms. Amy Snyder, U.S. Nuclear Regulatory Commission.

If you have any questions concerning the Study, please contact Ms. Jacqueline Mattingly at (314) 260-3924 or Dr. Greg Hempen at (314) 260-3939.

Sincerely,

A handwritten signature in cursive script, reading "James J. Zerega", is positioned above the typed name and title.

James J. Zerega
Acting FUSRAP Program Manager

Formerly Utilized Sites Remedial Action Program

SUBJECT: Review of the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B

Mr. Robert Geller
Missouri Dept. of Natural Resources
P.O. Box 176
Jefferson City, MO 65102

Dear Mr. Geller:

Please find enclosed the Mallinckrodt Inc. Property Sewer Study, Phase I, Rev. B (the Study). The Study evaluates sewers on the Mallinckrodt Inc. (MI) property as part of the Formerly Utilized Sites Remedial Action Program (FUSRAP) St. Louis Downtown Site (SLDS). The U.S. Army Corps of Engineers has also requested that MI review the document and provide any additional information identified within the Study that may be in that firm's possession. Regardless of obtaining added data from MI, the Study recommends a course of action for the sewers following completion of the Phase I reporting. Please return comments to the FUSRAP Project Office by August 1, 2005.

Copies of the Study have been forwarded to Mr. Dan Wall of the U.S. Environmental Protection Agency. A separate letter to MI requesting review and additional material, if it is available, is also enclosed. That letter to MI has been copied to Ms. Amy Snyder, U.S. Nuclear Regulatory Commission.

If you have any questions concerning the Study, please contact Ms. Jacqueline Mattingly at (314) 260-3924 or Dr. Greg Hempen at (314) 260-3939.

Sincerely,

James J. Zeraga
Acting FUSRAP Program Manager
