San Juan, PR 00936

SUBJECT: UNIVERSITY OF PUERTO RICO, VOIDANCE OF APPLICATION FOR  
LICENSE AMENDMENT, CONTROL NO. 137339

Dear Dr. Carlo:

This concerns your license amendment request dated July 13, 2005. As discussed with Jossian Pagán, your Radiation Safety Officer, on July 14, 2005, your request is unnecessary. 10 CFR 20.1301(c) allows visitors to a patient who cannot be released under 10 CFR 35.75 to receive up to 500 millirem if the authorized user has determined before the visit that it is appropriate. We have, therefore, voided your request.

Sincerely,

***Original signed by Sandra Gabriel***
