SUMMARY

We have reviewed your letter dated March 8, 2005, requesting an amendment to your byproduct materials license and find that we need additional information as follows:

OK
The letter dated March 8, 2005, requests that Dr. Vincent A. Lombardi's authorization be expanded to include the use of samarium-153 as permitted by 10 CFR 35.300. However, I noted that Dr. Sibley precepted a case for Dr. Lombardi on October 14, 2004 but that Dr. Sibley was not named to this license until Amendment No. 23 was issued on October 28, 2004. Please explain this discrepancy.

OK
Also, Drs. P.Scott, S. Dada and Sibley precepted cases for Dr. Lombardi but only Dr. S. Dada signed and completed preceptor forms for Dr. Lombardi. Please submit completed forms for Dr. Scott and Dr. Sibley to cover the cases they precepted for Dr. Lombardi also.

✓
Please also be reminded of the provisions in 10 CFR 30.9(a), "Completeness and accuracy of information,"...(a) Information provided to the Commission by an applicant for a license or by a licensee or information required by statute or by the Commission's regulations, orders, or license conditions to be maintained by the applicant or the licensee shall be complete and accurate in all material respects."

✓
Please also note that a new rulemaking became effective April 29, 2005, which may affect Dr. Lombardi's future re-application, as it changes many key elements in the training and experience criteria in Part 35. More information on this rule is available on our website.

For future reference, please always include the fax number of the person we should contact for licensing correspondence.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

ACTION REQUIRED

Submit the requested information *within 10 calendar days* (by June 10, 2005) by referencing control number 314303 to facilitate proper handling. **If we do not receive an adequate response by this date, we will VOID the current action without contacting you again.** This will be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA A WRITTEN RESPONSE.

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9841 or (800) 522-3025.
