MEMORANDUM TO: James L. Caldwell, Regional Administrator
Region III

FROM: Janice Dunn Lee, Director */RA/*
Office of International Programs

SUBJECT: REGION III SUPPORT FOR KOREAN ASSIGNEE

I would like to express my appreciation and gratitude to you and your staff for the courtesies that were extended to Mr. Kyu Sik Do of the Korea Institute of Nuclear Safety, during a recent assignment to Region III. Many of us have experienced firsthand, just how eagerly our counterparts have gone the extra mile to make us feel welcome in their countries, and it is not often that we have a chance to reciprocate. For this I would like to offer my sincerest thanks to your staff, and to all of the NRC employees who willingly support our international activities.

I note that the NRC Reporter has also written an article that was featured in the online newsletter describing the recent meet and greet luncheon for Mr. Do and his wife. As I forwarded the article to our Korean counterparts, I was proud of this and other instances in which NRC employees have gone above and beyond the call of duty to welcome our international visitors.

Thank you for your outstanding work.
