PART I.C COMMENTS (Use attached Comments continuation page if required)

In a telephone conversation on June 28, 2005, with the FOIA/PA Specialist assigned to process your request, you agreed to limit the scope of your request to inspection reports which identified a violation by the named facility for the time frame of June 2003 through June 2005.

NRC identified one facility under NRC jurisdiction that had a violation during the designated time frame (see Appendix A). A number of the States, where you identified a facility interest, participate in the NRC's Agreement State Program. NRC staff suggests that you may wish to submit a request for information to the appropriate contact for each of the States participating in the Agreement State Program. A list of contacts by State is available at www.hsr.gov/nrc/asdirectr.htm.

This completes NRC action on your request.
