Re: Decommissioning of License #37-30804-02 and Removal from Safeguard Orders.

The CFC Logistics facility in Quakertown, PA no longer poses any radioactive materials and is in the final review stage of decommissioning with the USNRC Region I office.

CFC Logistics is therefore requesting to be removed from the Safeguard Orders and future distribution of Safeguard material.

All existing Safeguard material was reviewed and accounted for prior to destruction in a method that prevents identification and reconstruction.

For future reference, please find the enclosed copy USNRC Form #314, request to terminate license #37-30804-02.

Sincerely,
